Connection

Discovery

1. Get access to tons of online resources.

Whether your child loves to read comics (Comic Plus), wants to study someone famous (Gale Ebooks), or find their next book to read (Novelist Plus), your library card gives you access to a ton of online resources.

2. Read, listen, experience.

When you think of a library, you probably think of books and we have plenty of those! But beyond words on paper, we have WonderBooks, which combine printed books with audio recordings; Playaway Audiobooks that just require headphones or an aux cord to start listening; and Whazoodles that are loaded with interactive challenges, podcasts, and soundscapes.

3. Tap into a sense of wonder.

Stop by for an After School or a Saturday Drop In program, register for a small group program, or check out a Discovery pass to Fontenelle Forest, the Omaha Children's Museum, or a county park (visit our website for a full list of Discovery Passes!).

4. Take a breather.

Check out a movie or board game for family night.

Your library card can help you pause and find time to relax during the hustle and bustle of the school year.
