

Returning or Donating Seed Form

Try to answer as many questions as you can, but don't worry if there are some things you don't know. Refer to our Seed Saving Vocab Guide for definitions on some of the terms below.

Today's Date:

Name:

Crop Common Name (example: tomato)

Variety Name (example: Roma)

Seed Source (example: library, name of seed company, etc.)

Rate yourself as a seed saver (circle one):

A. Beginner

B. Experienced - I've saved seeds for the last ___ years.

(continued on back)

Did this crop experience any disease issues? Please note anything you noticed.

Did you have any pest damage? Did you use any pest control measures?

Did you grow any other varieties of this crop type? (example: if this crop is a tomato, did you grow other varieties of tomatoes?)

Did you isolate varieties of the same species to prevent cross-pollination?

Further comments:

Please attach your seeds to your return form with the paperclips provided and place in the Returned/Donated Seed tray.
